of the Court of General Sessions in January last.

Smiler was then resentenced Jan. 26 to be executed during the week beginning March 10, but before that time a writ of habeas corpus was applied for and deried by the United States Circuit Court for the Southern District of New York.

His counsel then appealed the case to the United States Supreme Court, which on May 11 last, affirmed the judgment of the circuit Court and returned the decision to that court, where it was made the decision of the Circuit Court.

This ended the legal jugging in Smiler's case and on June 2 last, he was brought down from Sing Sing and again sentenced by Justice Barrett to be executed during the week beginning Monday, July 6.

MURDERER JAMES SLOCUM

concealed under a bundle of straw.

The murderer was tried and convicted before Judge Martine in the Court of General Sessions March 11 last year. His lawyer, John R. Hetazelman, called no witnesses for the defense, but asked for a verdict of manslaughter in the first or second degree, because, he arrued, the killing was done in the heat of passion and without deliberation or premeditation. cineditation. The jury did not look at it in that light, and after two hours' deliberation brought in a verdict of murder in the first degree. Slocum heard the verdict apparently unmoved. The same columness and indifference charac-cerized him when he was scatenced, a week later, to die in the electric chair during the week beginning May 5 last year.

week organing May 5 last year.

In fact, he has always appeared indifferent
to his ultimate fate.

Like the cases of the other men condemned
to die by electricity, Slocum's case went
through the various stages of appeal, which
stayed his execution until to-day. meant by talking about him behind his back.
"I haven't been talking about you," retorted Wood.
"Yes, you have, and I don't allow no 'nigger' to go around talking about me."
was Rumin's reply.
There were some more words after this, when Wood suddenly pulled a revolver.

In g, as he saw his wice trying to reach the door of another ledger's room, he drew out a special with the helpies are worden also, and of the same are wind and she fell with a grean on the threshold of the room. The first bullet entered her head, and she fell with a grean on the threshold of the room. The nunderer, however, kept on firing, and two more bullets were sent into the woman's breast, and a fourth lodged in her right arm.
